Ben,

Juan and I will check with those at EPA and DOJ that need to attend and get back to you shortly.

Thanks,

After discussing with Rabbe, the dates that work for him are June 20 or 21 (morning). Do either of those work?

Let's pencil in the June 30. I looks like the date most, if not all, can make.

Dave Rabbe is on vacation the week of June 20, and I think it is important he be able to attend. So that leaves the week of June 27, and the days that work for us that week are June 27, June 30, and July 1. I have a mediation on June 28 that may cancel, so that date may open up as well, but I won't know for a couple of weeks on that.

Ben –

The 14th doesn't work for us. We do have dates available the last 2 weeks of June.

In response to your call, can we plan for a meeting on June 14 to discuss the open issues we discussed this morning? That is the best day for our team given vacation schedules and other conflicts.
